

LINENS

DECIDE FOR YOURSELF

On average, **38 litres of water** are used **to wash bed-linen and towels** per guest night.

Our standard is to change your bed linen every third day of your stay.

If you would like your linen changed sooner, **just place this card on your pillow.**

The background is a vibrant blue watercolor wash. On the left side, there is a decorative pattern of overlapping circles and loops in a lighter blue color. A white rectangular box is positioned on the right side of the image, containing the text "HELP US SAVE WATER" in a bold, white, sans-serif font.
